## Video Editor

### Description

### About Namah Media

Namah Media is a performance-driven digital marketing agency focused on creating **high-impact video content, social media campaigns, and brand storytelling** that delivers results.

### Role Overview

We are looking for a **skilled Video Editor** who can create engaging, high-quality videos for social media and marketing campaigns.

The ideal candidate should have a strong sense of **storytelling, pacing, and trends**, especially for short-form content.

### Responsibilities

- Edit videos for **Instagram Reels, YouTube, ads, and social media campaigns**
- Create engaging short-form and long-form video content
- Add effects, transitions, sound design, and motion graphics
- Collaborate with the creative team for concept execution
- Ensure videos align with brand tone and marketing goals
- Stay updated with **latest editing trends and platform formats**
- Manage multiple projects with quick turnaround times

### Qualifications

### Requirements

- 1–3 years of experience in video editing
- Proficiency in tools like **Adobe Premiere Pro, After Effects, Final Cut Pro**
- Understanding of **social media trends and video formats**
- Basic knowledge of motion graphics is a plus
- Strong storytelling and editing sense

### Core Skills

- Video editing & storytelling
- Motion graphics (basic)
- Sound design
- Creativity & trend awareness
- Time management

### Hiring organization

Namah Media

### Employment Type

Full-time

### Job Location

Khirki Extension, Delhi, India

### Date posted

April 13, 2026

## **Job Benefits**

- Work on exciting and diverse video projects
- Exposure to multiple industries and brands
- Fast-paced, creative work environment
- Growth and learning opportunities
